**FALL 2022**

During the month of September, we welcomed an incredible group of men and women from Montréal, Canada. Under the leadership of Bishop Paul Graham and Pastor Dieudonné Kahozi, this team preached, prayed and evangelized unceasingly for 10 days in Dakar. During their visit **14 souls were baptized in Jesus name**, and **14 souls were filled with the Holy Ghost!** We are excited that revival is here!

**During 2022 we have already witnessed 39 people baptized in Jesus Name and 17 people filled with the Holy Ghost!!**
